DIARY NOTES

25X1A

DD/S

12 March 1962

1. Having noted in the last weekly report on the progress at the Langley building that it would take some thirty-eight weeks to finish the roof on the auditorium, I called Jim Garrison, told him that this was entirely too long and that he should inform all concerned of our desire to expedite this very substantially.

2. I talked with [REDACTED] of the Office of Personnel and approved of his transfer to this Office to replace [REDACTED]

25X1A9a

3. [REDACTED] telephoned to say that he had accepted the Director's offer to appoint him Comptroller. He said that he would like to talk to me about it sometime soon.

25X1A9a

4. I talked with Shef Edwards and [REDACTED] about a "Red Line" telephone directory and we agreed that one should be developed.

25X1A9a

5. Larry Houston reported that he thought [REDACTED] would be returning to his office in which case he would not have a vacancy for [REDACTED] and would want to return him to DD/S for assignment.

6. Larry also reported that [REDACTED] in his office was not up to the job, and I asked him to turn him over to Emmett Echols for placement.

7. Mr. Kirkpatrick telephoned to request that I brief General Carter for one hour on the DD/S Organization at 1100 hours on Friday, 16 March.

25X1A9a

8. [REDACTED] and several members of the Reserve Group briefed me on the proposed new Joint Reserve Officers' Organization. It looked good to me and I undertook to explore with [REDACTED] office the proper method of getting official Department of Defense approval.
